

BV Brethren Village

Our Residents were...

- ...Teachers who gave the gift of an education.
- ...Farmers who gave the gift of nourishing food.
- ...Missionaries who shared the gift of Christ's love.

Our Residents are...

- ...Fathers who need help buttoning their shirts.*
- ...Aunts who need assistance eating their meals.*
- ...Grandmothers who need help putting on their glasses.*

Throughout their lifetimes, our Residents have given the gift of service and benevolence to their friends, family and church. Their immeasurable contributions have shaped lives, salvations and communities in which we live.

Now, they need your help and you can give a gift back to them. Would you considering extending a hand of assistance by making a gift to our Good Samaritan or Endowment Fund that will provide the most basic services... when they need it the most?

Healthcare costs can exhaust a Resident's personal assets leaving them in need of financial assistance. Unfortunately, for approximately 50% of Residents residing in The Courtyards, government assistance and supplemental insurance do not pay the entire cost.

Your support of our Annual Appeal will provide hands on assistance to a Resident at Brethren Village. We are dedicated to serving God through our mission of providing quality, one-on-one, compassionate care.

Your gift will reassure our Residents that care and essential services will be available to them, even if their assets are depleted.

Your gift matters...

Give back to those who gave to you...

The **2011-2012 Annual Appeal** is an opportunity to provide for Residents in financial need. Our goal is to raise \$135,000 for the Good Samaritan Benevolent Fund and we need your help.

Remember...

- ... 50% of Residents living in The Courtyards receive supplemental, benevolent care.
- ... 35% of Residents living in Village Manor Personal Care require care and services which they cannot fully pay.
- ... the Village anticipates providing \$2.5 million of uncompensated services this year alone.
