has named
Dixie L. Kiehl
assisted living
administra-
tor; Diane M.
Gergal direc-
tor of Home

Health Agency and Rick Noll
director of gechnology.

Kiehl, of Denver, will have direct administrative responsibility over assisted living at the Village. Kiehl joined Brethren Village in 2006 as a health care center social worker and served as social services supervisor and finally director of social services in 2007. She is a graduate of Shippensburg University.

Gergal, of Lititz, will be responsible in providing leadership and supervision for the Home Health Agency at the Village. Most recently, she was employed by Moravian Manor in Lititz as personal care administrator. Gergal holds her licensed practical nurse certificate and Personal Care Home Administrator certificate.

Noll will have direct responsibility for all communications systems and computer systems that are used at the Village. He holds a bachelor's degree in electrical engineering from LeTourneau College and a registered nurse certificate from Lancaster General Hospital.
