Benchmark breaks ground at Brethren Village

Benchmark Construction Co. Inc., Brownstown, broke ground Monday for the construction of the \$5.8 million, 47,000-square-foot Village Garden Apartments II on Brethren Village's campus on Fairview Drive, Lancaster, for Brethren Services.

Joe Hancock will represent Benchmark Construction as the Project Manager and Jim Spade will be the on-site Superintendent. The project's anticipated completion date is April.

The three-story apartment building will house 60 apartments.
