Thrift Shop

The dog days of summer are upon us, but shopping in the air conditioned Thrift Shop is both comfortable and affordable. We continue to have a wide selection of seasonal clothing for both men and women as well as indoor and outdoor decorative items and household goods and linens. Spend some time with us, shopping and socializing. The shuttle bus stops right in front of our door!!! We are located on the ground floor of Garden Spot.

Your Brethren Village Ambassadors!

Brethren Village has developed a Village Ambassadors Program here on campus! We have identified a dedicated team of individuals comprised of Residents, Team Members, volunteers and friends of the Village who will help advance the mission and ministry of our organization! The goal of the Village Ambassadors Program is to advise and assist the organization in ensuring everyone - from visitors, to Residents, to family members and beyond - has a positive experience while here on campus.

In the next few months, this Ambassador group will be meeting and brainstorming on ways to make the Village a better place to live and work! Thank you Ambassadors!
