A Guide To What's Happening at Brethren Village

Marketing & Development Offices Renovations

During the 3-year span of our recent redevelopment effort, Brethren Village has gone through a period of unprecedented growth and transformational change. **Our current Marketing & Development offices, located at 505 Airport Road, will be fully renovated from July 5- August 31, 2011**, aimed at creating an improved sales and work environment.

From July 5- July 8, 2011, the 505 Airport Road Residential Marketing & Development Department offices will be closed as we move to our temporary office space.

Temporary office locations for the 505 Airport Road Residential Marketing Department will be combined with the current Covenant Crossing Sales Office located in Fieldcrest 172 during the renovation and will reopen July 11, 2011.

Temporary office locations for the Development Department & Public Relations Department will be moved to the Terrace Crossing Accounting Conference Room, Ground Floor Terrace Crossing, during the renovation and will reopen July 11, 2011.

Due to the planned combination of sales teams, Covenant Crossing Sales Associates Jim Dobosh, Jessica Nieli and Amie Weitoish have ended their employment with the Village. The remaining Covenant Crossing Sales Associate, Susan Confer, will be relocating her office to 505 Airport Road after the conclusion of the renovation. The Covenant Crossing Sales offices currently located in Fieldcrest will close.

If you have any questions, please feel free to call the Residential Marketing Office at 717-581-4227.

Coming Soon.... Brethren Village Ambassadors!

Brethren Village is in the process of developing a Village Ambassadors Program here on campus. We have identified a team of individuals comprised of Residents, Team Members, volunteers and friends of the Village who will help advance the mission and ministry of our organization!

While our new program is just now getting underway, the goal of the Village Ambassadors Program is to advise and assist the organization in ensuring everyone - from visitors, to Residents, to family members and beyond - has a positive experience while here on campus. Watch for more details next month about our Village Ambassadors Program!

Introducing BV's Off-Campus Care Team

As you may know, many Lancaster County skilled nursing facilities have seen wide fluctuations in the need for beds in recent years. Our growing aging population presents wonderful opportunities for all of us - including longer, healthier lives, - yet these changing population trends present challenges as well. At Brethren Village, we're committed to meeting these aging population challenges with the goal of providing the highest level of care for our Residents.

Because the need for skilled nursing beds at The Courtyards has continued to fluctuate, Brethren Village created an *Off Campus Care Team* to work with our Residents and their family members when the transition to an off-campus care facility becomes necessary.

Comprised of experienced Brethren Village Team Members, our *Off Campus Care Team* is committed to making sure our Residents receive the skilled care they require in a comfortable setting.

(Cont. Page 4)

Workshop

The summer lull is closing in on us and we are looking for more work to do. Now is the time to bring your projects to us. Please contact the Workshop with any projects we can do for you, such as repairing furniture or restoring it. We ask for a donation for our work and all income goes to the Benevolent Fund.

Sometimes we don't even have a piece of furniture from you. You present us with an idea, and one of our workmen will try to transform the idea to the real thing.

This is the case of the latest creation by Dr. Charles Wolfe. At the request of Pastor Mark Tedford, Dr. Wolfe made an attractive, yet simple, table for use in funeral services when the body has been cremated. The table, about 36 inches wide by about 19 inches deep, holds the urn during the service. Interestingly, Dr. Wolfe used wood from a cherry tree that had grown on the Brethren Village campus. Conservation of our resources is important.

NOTE

Our many thanks to all who sent cards, made phone calls, contributed to the "Good Samaritan Fund" and kept my family in prayer during the death of my husband, Scott.

We are grateful for Pastors Mark and Dana for their visits and prayer.

Scott received good care in almost 2 1/2 years in skilled nursing. We also were thankful for the P.T. Department.

Thank you to all. We are truly blessed.

Corinne Nissley & family

What's Happening!

Please sign up at the Resident Services Office unless stated otherwise.
MARSHA VITAL 581-4226 or GAYLE JOHNSON 581-4345
