A Guide To What's Happening at Brethren Village

Brethren Village Open House

Brethren Village is participating in a free, open to-the public, county-wide 'Explore Retirement Living Open House Tour' on Saturday, October 22, 2011 from 9:00 AM-4:00 PM.

Joining forces with 14 other retirement communities in Lancaster County who are also opening their doors, our BV Open House will allow visitors to explore our dining venues, extensive wellness facilities, amenities and view open cottages and apartments! The Open House will highlight Fieldcrest, Terrace Crossing, Cottage 303, the Workshop, and the Welcome Center/Wolfe Auditorium. Please join our Team Members in welcoming visitors to our campus as they explore life at Brethren Village! Please assist us in directing guests to Fieldcrest Entrance C for parking and registration.

For more details on the Open House Tour, please visit <http://exploreretirementliving.org>

Residential Marketing Department News!

United as One! The Brethren Village Residential Marketing Department and the Covenant Crossing Marketing Department have merged into one after our recent renovation of 505 Airport Road!

As a result, the 'Covenant Crossing at Brethren Village' marketing name and logo previously associated with the selling of Fieldcrest Apartments will no longer be used in our Village community. Moving forward, we would like to reinforce the term 'Residential Marketing Department' which will be responsible for occupancy in all 512 residential, independent living units across our beautiful campus!

Also, feel free to stop by our new offices at 505 Airport Road for a look around!

Workshop

We have been working on a
wooden base to fit the organ in
the FC Great Room. Because
the organ is extremely heavy,
it was impossible to move it.
Now, with a base and wheels,
it can be moved for special
occasions. It was designed by
Harold Merkey and assembled
and finished by the men of the
Workshop. Next time you are
in the GR, look at the organ for
a reminder of a successful joint
project.
