ENRICHING OUR COMMUNITY

Two years ago the Board of Directors engaged in a Strategic Planning retreat that included Team Members, Residents, community partners, and key constituents. In the past year, we have made significant progress on the objectives that came out of that planning session:

We have strengthened our brand presence by introducing BV Virtual Village, a source of reliable information for seniors, their caregivers and other senior providers in the Lancaster community.

We have met with developers, planners, and strategists to determine the likelihood of transforming Garden Spot into a state-of-the-art rehab center as well as begin plans on a new Affordable Housing building that will provide 51 apartments for those on the low-income scale.

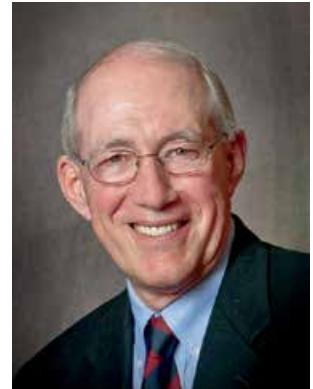

The Healthcare Center achieved a 5-Star rating in skilled care by the Centers for Medicare and Medicaid Services. We have exceeded the previous years' monies raised in the fundraising events and appeals that Brethren Village embarked on over the past year. We have worked toward

reducing turnover by improving Team Member morale, increasing workplace satisfaction and increasing our starting wages.

As you can see, it's been a very busy year at Brethren Village. A year of growth and new endeavors. A year of committing ourselves time and again to our mission and values and instilling everything we do with those words of wisdom.

Brethren Village is committed to providing an excellent experience to our Residents, their families, our Team Members and our community partners. In this publication, you will see the extensive list of ways that Brethren Village wants to be a resource as well as several feature articles that highlight some very special programs Brethren Village has in place that truly benefit the community. Brethren Village is making a large impact in many small ways.

On behalf of the Board of Directors, I'd like to thank all of you — Team Members, Residents, families, and business partners — for your support. It's an exciting time at Brethren Village!

It is the mission of Brethren Village to **enrich each life** touched by our ministry

ENRICHING OUR COMMUNITY

At Brethren Village, we are fortunate to have two communities of support: our on-campus community as well as the larger Lancaster community. As an integral part of both of these communities, we strive each and every day to be a good steward.

As evidenced by our 98% occupancy rate and the 540 individuals on our wait list, Brethren Village is a desirable place to retire. It is the mission of Brethren Village to enrich each life touched by our ministry, and it's one I take very seriously. It is our Team Members who deliver some of the best care in the county to our Residents who help ensure that living at Brethren Village is retirement at its best. In my two years as President, I have had the opportunity to really experience how we enrich each of our communities. Our valued and engaged Team Members, whether they are renovating a living space so a new Resident can move in, or they're providing bed-side care in our skilled nursing building, are the front line caregivers who make Brethren Village. Residents feel that they are living an enriched retirement. Our volunteers, who have given over 44,800 hours of their time, have enriched Brethren Village with their dedicated service. In two years, I have personally seen

our mission and values come to life. I've seen Team Members truly engaged with each other, our Residents and guests. I've seen our vendors raise the bar of supporting our programs and services to attain a new level of success. I've seen Brethren Village reach out to our neighbors and offer support, resources and services. I've seen everyone come together to enrich the experience and live the ministry of Brethren Village. I've seen each of our Core Values in action: Caring, Integrity, Stewardship and Excellence.

In the coming years there will be more change and more excitement, and with it, greater ways to support our communities. In this publication, you'll see some examples of how we're already doing it. However, I look forward to the opportunity to engage our on-campus and local communities in even more ways as we plan for the future of Brethren Village.

Residents, Team Members, Donors, Volunteers, business partners and future Residents, it is because of you and your support that we are the community-minded Village we are. Thank you for your caring engagement as we enrich our Village community as well as the broader Lancaster community.

John N. Snader
President and CEO

I've seen everyone come together to enrich the experience and live the ministry of Brethren Village. I've seen each of our Core Values in action: Caring, Integrity, Stewardship and Excellence.

Enriching our On-Campus Community

Our caring Team Members enrich the lives of Residents

"**M**y name is Tammy Henry and I have been working at Brethren Village for six years. I am one of seven Therapeutic Recreation Assistants in The Courtyards.

I strive to show kindness each and every day as I help health care Residents with various art projects and activities. I love spending my time with the Residents because I enjoy being able to cheer them up and they enjoy sharing their life stories with us. For me, it's an honor to take care of them.

After work, on my own time, I can frequently be found in the Creative Arts room with Resident John Ettore who teaches the ceramics class. I help John paint faces on ceramics and if needed, I help touch up Resident projects. I love that the ceramic program gives John something to look forward to. For John, it's a reason to get up each day.

When I think of Brethren Village, I think of a loving family...and I'm happy to be a part of it."

I strive to show kindness each and every day as I help healthcare Residents with various art projects and activities.
— Tammy Henry

Resident John Ettore recently passed away and will be greatly missed

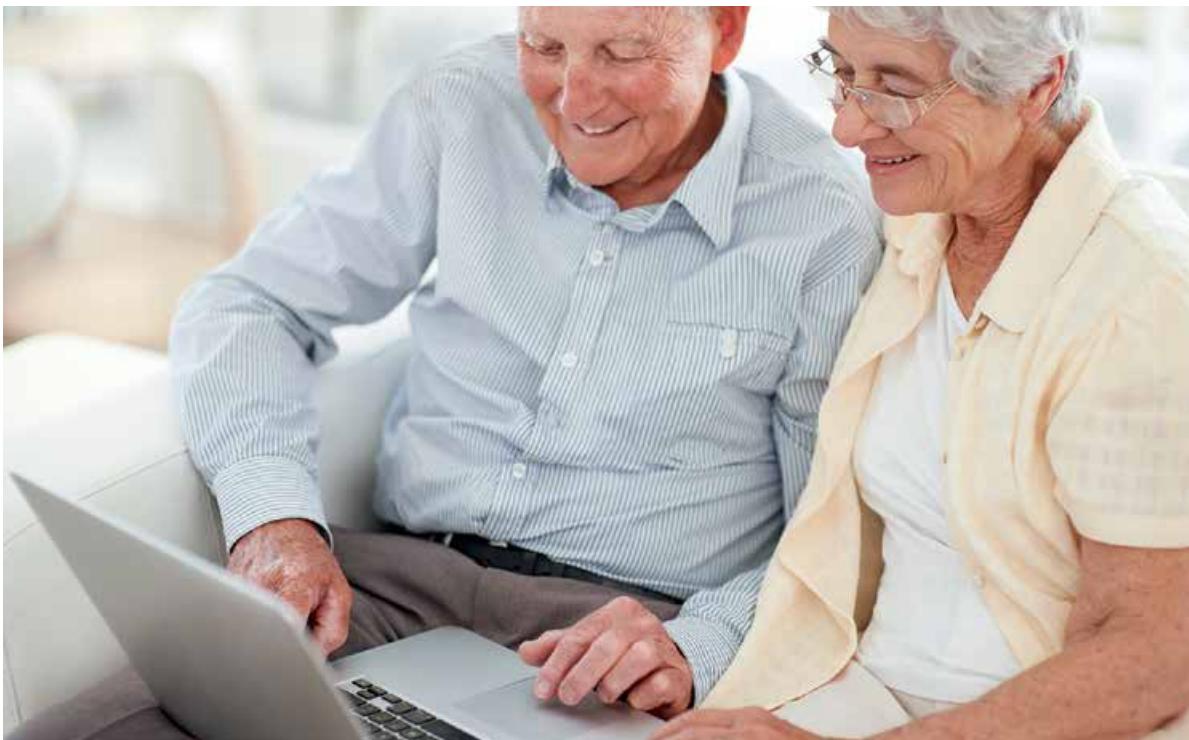

Our care is some of the best in the County

In May 2014, the Centers for Medicare and Medicaid Services issued their ratings for all of the Nursing Homes in Lancaster County. Brethren Village earned five out of five stars; the highest recognition possible. "Of the 31 nursing homes in Lancaster County (21 are part of a CCRC), The Courtyards at Brethren Village is 1 of 9 that enjoy this top rating," notes Nicholas Mahler, The Courtyards Administrator. "This distinction, which comes with a "Much Above Average" label, is based on three weighted components: survey inspections, staffing, and

quality measures. It is a remarkable achievement made possible by the dedication and professionalism of every member of our staff." We are very proud of this because it is a testament to the quality of care we provide to our Residents each day, as well as the quality of our Team Members who deliver that care.

BV Introduces NEW Virtual Village **Resources and advice for all seniors and their families.**

With more than 100 years of experience helping seniors from all walks of life, we've learned a lot about retirement living and caregiving.

BV Virtual Village helps us share this knowledge with the larger community, regardless of whether you ever set foot on our campus. BV Virtual Village is a great way to learn about all the options available to seniors for retirement living, personal care and

more. Caregivers can benefit also, with helpful tips and advice for providing care for their loved ones and for taking care of themselves, as well. Just a few clicks can answer many of your questions. And if we can't provide the answer ourselves, we'll direct you to the organizations that can provide the information you need, such as health care services, government resources and other providers.

ENRICHING OUR COMMUNITY

Providing affordable housing to ease the housing crisis

Brethren Village cares about all Lancaster County seniors.

According to Senior Housing News, our country will soon experience a crisis due to a lack of affordable housing for our ever-growing senior population. To help offset this problem locally, Brethren Village has plans to add even more affordable options for lower income seniors in the coming years. Pam Formica, Brethren Village's vice president of finance, said "Our market study indicates there's a tremendous need for affordable housing, and in particular

for affordable housing geared toward seniors." The Village is considering building a 51-unit low-income senior housing facility — shown above in its architectural rendering — in addition to the two Housing and Urban Development units currently thriving on campus. Fairview Meadows and Village Garden Apartments have a combined wait list of 159. Obviously, the need is there.

Meanwhile, our Village Townhouse and Oakwood House buildings offer wonderful choices for comfortable senior living on our campus, at modest prices.

Corporate Responsibility

Enriching the community also means
being a responsible neighbor.

It means giving back to the community
who provides so much to its members.

It means doing our part
to help the community thrive
and continue to be a
valuable resource.

Here are some of the highlights of our work in the local community this past year:

- 120 affordable housing apartments through HUD
- Community use of our campus pool
- Partner with the Arthritis Foundation Association to offer the AFA approved aquatic exercise class in our pool
- Care for the Caregiver educational series
- Voting location on campus during elections
- Use of the patented Cope Salt AUTOBrine® system, reducing our carbon footprint
- 5th Sunday offerings donated to local charities
- Wellness Fair partnership brings community vendors on campus
- Offer Dementia Support Groups in partnership with the Alzheimer's Association
- Lancaster Seminary internships
- Free facility use for local civic/community groups
- Youth volunteer opportunities
- Support of Manheim Township/East Petersburg fire companies
- Support of service-based, outreach programs through BV Auxiliary and Resident Interest Groups
- Annual Education Seminar in January for area pastors and others in care-giving ministry
- Resident-initiated Styrofoam recycling program
- Donated furniture, clothing and household goods to a local church thrift shop and the Salvation Army
- Provided internship opportunities in coordination with local business and technical schools
- Resident-led Thanksgiving Food drive donated to Alpha and Omega Ministries
- Entertainment sponsor at Manheim Township's Landis Woods Art Show
- Offered children's swimming lessons
- Participate in electric demand-response on high electric usage days to give power back to the grid.
- Provided \$10.9 million in revenue to Lancaster County businesses through vendor relationships

OUR ENRICHING COMMUNITY

Fiscal year 2014 was indeed a good year. Solid financial results were achieved; organizational strategic direction was established; and Resident and Team Member satisfaction was pursued. It was also a year in which Brethren Village adopted new accounting guidance related to entry fees, specifically the calculation of our obligation to provide future services. Additional information on this new guidance and the impact on our financials is included as part of my report.

Excluding the impact of the change in obligation to provide future services, our total revenues grew by 5.9% over the past year. The 3% increase in Resident service revenue was primarily from increased pricing as there were no significant changes in volume. Unrestricted contributions for the year reflect the generosity of individuals, organizations, other groups such as our Auxiliary, and in particular, two bequests which totaled over \$900,000. Investment income has three sources: interest and dividend income; net realized gains/(losses); and net unrealized gains/(losses). Realized gains for each year were approximately the same whereas interest & dividend income produced over \$90,000 more

in FY 2014 and the swing in unrealized gains/(losses) year on year was about \$1.7 million. These factors contributed positively to our operations.

Our total expenses also increased as purposeful investments were made in staffing and compensation levels as well as planning for the future. Although salaries increased in dollar amount, salaries as a percentage of total expenses dropped from 31% in FY 2013 to 30% in FY 2014. Our first year of a self-insured model for team member health insurance provided year on year savings of about \$220,000. Strong management of the other expenses contributed positively to our operating income as we worked with valued business partners to hold or minimize price increase.

Recognizing the need to maintain Brethren Village's beautiful facilities, we reinvested over \$3 million in the community. This capital reinvestment, along with pursuit of our strategic initiatives, was made possible through the improved operating results.

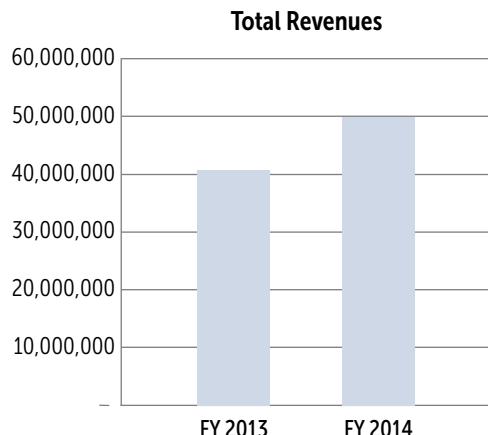

In closing, I offer my gratitude to members of our team — Board of Directors, Directors, Supervisors, Team Members, Business Partners and Residents. It is through our collective efforts that we will enrich each life touched by our ministry.

VP of Finance

ENRICHING OUR COMMUNITY

2013 – 2014 ANNUAL REPORT

Vision Statement

Enriching each life touched by our ministry at Brethren Village.

Mission Statement

Rooted in the tradition of service within the Church of the Brethren, the mission of Brethren Village is to provide a continuum of services and Christ-like care to support the aging process and to enhance the spiritual, physical, social and emotional wholeness of Residents, Team Members and community.

Core Values

In the ministry of Brethren Village, we are committed to living our Vision and our Mission in the servant style of Jesus, with:

Caring — Infusing everything that we do with compassion and caring for the well-being of each other and the greater community.

Integrity — Exhibiting unwavering honesty and fairness in every dimension of our organization.

Stewardship — Recognizing that all of our resources are entrusted to us by the Lord, and seeking to use our time, talents and material resources in a manner that honors and glorifies Him.

Excellence — Making it our passion to bring our best to everything that we do — enriching each life that we touch.
