Class Descriptions

Body Balance 2 - Intensity Level 2 - Designed to have residents practice **advanced balancing techniques** in order to maintain or improve their existing balancing ability. Obstacle equipment will be used to challenge residents, balance abilities

Chair Yoga - Intensity Level 1 - A gentle form of yoga that is practiced seated or standing using a chair for support. Yoga helps improve balance and mental sharpness, increases strength and flexibility and offers stress reduction. Pre-registration is required for this class - call 717-581-4252.

Chairobics - Intensity Level 3 - A seated class designed to have fun while moving to music with a variety of exercises to improve muscular strength, increase range of motion, and improve your ability to accomplish activities of daily living. Hand held weights, therabands, balls, and sticks are used throughout this class.

Holy Walkamolies - A walking group that meets once a week at the Welcome Center to take a walk around campus. All ability levels are welcome and you can walk at your own pace.

Land Aerobics - Intensity Level 5 - This higher intensity class will combine aerobic exercise with strength training for an over all workout using all muscles groups. Participants will use a variety of equipment throughout the class as well as performing moves using only body weight.

Mat Yoga - Intensity Level 1 - For those wanting the challenge of practicing on a mat, on the floor. Participants will need a yoga mat, a yoga block and a yoga strap. Yoga offers stress reduction, increases strength and flexibility, improves balance and mental sharpness.

Osteoblasters - Intensity Level 3 - Based upon the Penn State Strong Women Program. The purpose of this program is to improve health and wellness through strength training and education. This class is a progressive class, meaning we will increase repetitions and weights. Doors will open 15 prior to start of class.

PWR!MOVES - Intensity Level 3 - Parkinson **Wellness Recovery Program** will focus on Parkinson / Stroke Recovery - specific skill acquisition through the repetitive practice of the basic 4 / PWR!MOVES (up/rock/twist/step). Preregistration is required for this class. Please contact Sandra Sites at 717-581-4252.

Qigong - Intensity Level 1 - Classes are based off a Chinese system of breathing exercises, body postures and movements, and mental concentration intended to maintain good health and control the flow of energy.

Better Balance - Intensity Level 2 - Utilizes standing, static exercises with coordination and balance moves. Also integrates hand weights to build strength and stretching to increase flexibility and range of motion

Stretch/Reach/Relax - Intensity Level 1 - A seated class that concentrates on breathing and stretching to improve flexibility and range of motion with an atmosphere conducive to relaxation.
