Donor Feature

Two of our partners that have been long time golf sponsors.

Our firm does not have any 'real' golfers but we are always on the lookout for a good reason to escape the office for a late summer outing. For this and for much loftier reasons, we have supported and been part of the Brethren Village Golf Outings for many years, possibly since the inception. We appreciate the countless services Brethren Village provides to our community through which the lives of many are enriched. We, at Gibbel Kraybill & Hess, count it as a privilege to support BV's mission in this way.

- John R. Gibbel, Partner

*Our company began sponsoring the golf tournament through my father Wilbur's service on the Brethren Village Board. More than 20 years later, I'm glad that **Rohrer's Incorporated** can continue supporting the event – and the Residents who benefit from the Good Samaritan Fund. Our goal is to reinvest into our community, and Brethren Village has a strong history of serving seniors in our community.*

- Travis Rohrer, President & CEO

Legacy Giving & More

Recently, Karen Redner donated a three dimensional painting by the Lancaster County artist, Aaron Zook. The painting belonged to her late husband, Earl Redner. The painting is now located in a niche in the hallway connecting Terrace Crossing and the Welcome Center (as seen in the picture below) so that Residents and visitors to Brethren Village can enjoy the scene depicting Lancaster County's heritage.

Not only has Brethren Village benefitted from the donation of this painting, in this issue of the Gratitude Quarterly you will note that Brethren Village received a legacy gift from the Estate of Earl Redner. Through Earl's planning, Brethren Village has received this generous donation to help support benevolent care. To read more about Earl's contribution to Brethren Village, visit the giving page of the website and click on donor stories. Thank you, Earl, for your generosity, and thank you, Karen, for sharing this wonderful painting in memory of Earl!
