

This past year, Brethren Village has provided \$2,395,000 in assistance to 82 Residents in Village Manor, Memory Support and The Courtyards, through the Good Samaritan Fund.

*"The staff really went out of their way to welcome my parents into that next phase of living at Brethren Village. It's tough being so far away from them, it really is, but we wouldn't have them anywhere else."*

*~ Susan Klein  
Daughter of BV Residents*

**YOU**  
make all  
of this  
possible!

**Residents in Village Manor and Memory Support** pay what they can for the services that they receive, but because they have exhausted their resources, direct financial assistance is provided to ensure that they continue to receive care for their daily lives and the dignity of the care and support from Team Members.

In **The Courtyards**, we offset costs for Residents who are receiving medical assistance. We do receive compensation from the state, but the compensation falls profoundly short of the actual cost for Brethren Village to provide care to these Residents.

*"When you think about that you're part of their story and we're probably helping them write the last chapters of their story...just to be a part of that I think is pretty special."*

Personal Care Team Member*
