## Generous Bequest Funds Chapel Audio Upgrades

Emma "Betty" DeCarlton had a special appreciation for the Chapel services at Brethren Village. Dana Statler, Director of Chaplaincy Services remembers how she would take him aside and ask questions and offer her perspective on the sermon and worship services. Fortunately for Brethren Village, she also had planned ahead and included a gift for the Brethren Village Chapel in her will.

Funds from her gift were used to improve audio visual equipment in the Chapel, including a new and improved sound board and booth for sound operators. These improvements complement the recent upgrade in the Chapel in 2019 to improve the seating and flexibility of the space for worship, funerals and music concerts.

The Chapel benefits greatly from volunteer sound operators, and the improvements ensure that the two operators can work side by side but still have plenty of room to operate the equipment. The system upgrades also ensure better sound whether people worship in person or watch the service live or recorded on their own television.

"Thank you Betty for your thoughtful gift," John Snader, Brethren Village President and CEO exclaimed. He continued,

Chapel volunteers Walt Bechtold (left) and Steve Focht (right) enjoy working the improved audio visual equipment in the Chapel thanks to the generous gift from Emma DeCarlton.

"we are committed to providing a dedicated space for meaningful spiritual enrichment and a continuation of worship and gathering, and Betty's gift enhances the experience for anyone who participates today and in the future."

In the past 10 years, Brethren Village has received bequests from 12 individuals that have totaled \$2,480,018. Individuals who intend to include a gift in their will can enjoy the benefits of the 2<sup>nd</sup> Century Society (<https://www.bv.org/giving/planned-gifts/>). Donors who wish to make a bequest for a special project or program are encouraged to contact Renny Magill, Vice President of Development at 717-581-4416 or [rmagill@bv.org](mailto:rmagill@bv.org) to discuss their options.

## Congrats Roy Schroll!

On Wednesday, April 28, 2021, Roy became the first Resident to swim a total of 500 miles! 500 miles is 22,000 lengths of the BV Pool! BV Residents started tracking the number of laps they swam at the pool in January of 2015. Congratulations Roy! Just keep swimming!

## Wheelchair Walks return!

Katie Ross enjoys the beautiful flowers in the hidden garden thanks to volunteer Bob Keller.

When asked what she likes about the Wheelchair Walks, Katie noted "I like the smaller size of the walks. People who volunteered related well with the Residents. It felt like they were all handpicked. I enjoy the walks very much, especially the Hidden Gardens."

**WE NEED YOU!** The Wheelchair Walks have returned in a new format with Resident health and safety in mind. If you would like be part of this meaningful experience for Residents in the Courtyards, call Volunteer Services at 717-581-4271.

Upcoming Dates: August 18, September 15, October 20.

# What our Partners are saying

Thank you to our business partner Benchmark Construction for building three visitation booths that allowed Residents in supportive living to see their loved ones when in person visits weren't possible in 2020.

"It was really rewarding for all of us that we were creating this space that would allow Residents and their relatives to share some time together in a time when it was really difficult sharing time with anybody."

Mike Callahan, Chairman of the Board at Benchmark Construction
