

RESPITE CARE: SKILLED NURSING

Respite care is a short stay ranging from three nights to two weeks available to begin Monday-Friday and is a private pay service. Respite stays are pre-planned and take at least a week to put into place. Please see details below:

Provided services:

- 24-hour staff supervision and assistance with activities of daily living including medication administration. Residents may not self-administer their medications. Residents may bring prescription medications from home if they are in the original bottle. Vitamins, supplements and anything over the counter will be obtained from HealthDirect Pharmacy at an additional charge.
- Medical management by Brethren Village's Medical Director
- All meals with menu selection
- Housekeeping and laundry
- Recreational and therapeutic activities

Included amenities:

- Private, fully furnished room with bed linens, towels and a shower chair
- Landline phone, cable and Wi-Fi
- Oxygen as per physician's order

Personal items to bring with you:

- Clothing and toiletries
- Incontinence supplies as needed
- Mobility equipment as needed
- Specialty equipment such as a CPAP

Interested? See the reverse side for details on how to reserve a respite stay at Brethren Village.

Contact Admissions to confirm eligibility and reserve a respite stay

- Admissions will coordinate a medical and financial review to evaluate respite eligibility. Call 717-581-4438.
- After eligibility and room availability is confirmed, the resident's primary care physician completes admission orders, which includes information such as diagnoses, allergies, and medication orders.
- Respite care is a private pay service. Residents are responsible for a daily rate and nursing supplies as needed. On or before the day of admission, the resident will meet with Admissions to sign admission documents, and prepay for the stay by check, and provide insurance cards, Power of Attorney and Living Will.
